

## **POSSESSING OUR LAND VISION CAMPAIGN**

Since the Spirit Life Family began to possess this land in the Northridge (Granville) area in 2006, God has instructed us to fully possess it and use it for His plans and purposes.

Many things have been accomplished and our vision to reach lost people and raise up mature disciples who produce fruit for His Kingdom has never been stronger!

As you click through the following pages you will hear the heart and the vision behind the "Possess The Land Campaign" and what God is going to do through each of us as we participate!

This is a pivotal moment in the history of Spirit Life Church. God has taken this congregation back to its foundation. We have entered this land for such a time as this!

Many generations and many nations await our obedience and our faithfulness to be fully engaged in what Jesus has called us to. Our lives will be changed as we make a place of ministry for those whose lives still need changing.

Possessing Our Land With You,

Tom & Lori Wilke  
Pastors
